

2009-2010 Programs

Alaska EPSCoR (Experimental Program to Stimulate Competitive Research) is pleased to announce a schedule of assistance and award programs available this academic year. Please see our website, www.alaska.edu/epscor, for a description of programs and instructions on how to apply.

Program

Deadlines

| | |
|--|--------------------------------------|
| Proposal-writing assistance to rural campuses | None, open September 2009 – May 2010 |
| Travel grants | September 28, January 11 |
| Undergraduate research fellowships For spring and/or summer | October 5 |
| Integrative faculty development awards For early summer | November 2 |

Note that the current Alaska EPSCoR award ends June 30, 2010; no program may extend beyond then.
